I. Reading Comprehension. (lee el texto y responde las preguntas)

Hello! I'm Kate. I want to write about my technological devices. First, I have a *smartphone*. I got it from my parents in Christmas two years ago. I like it very much because you can also connect the phone to a *smartband* similar to a watch and answer the calls. I think it's sometimes good to have my smartphone in my bag.

I always listen to music in my *mp3 player*, I like it because I feel relaxed. Sometimes I use my *laptop* to do my homework and I save my files in my *flashdrive*, so I bring them anywhere. When I feel bored at home, I can use my *smart tv* to connect to the Internet and watch movies or series on Netflix or play video games using my *virtual glasses* so it looks like reality. Isn't it fantastic?

Last year, I was on a cycling holiday with my friend. We went cycling to take pictures with my *cam* but the weather wasn't good. It was cold and windy. It started to rain and it got dark. Suddenly my friend had an accident and she broke her leg. At first I didn't know what to do, but then I thought about my smartphone. It was in my pocket so I telephoned for help. After fifteen minutes an ambulance arrived.

Sometimes, smartphones are a real problem because they always ring at the wrong moment. I'm not crazy about my mobile phone but I feel safe when I have it with me.
